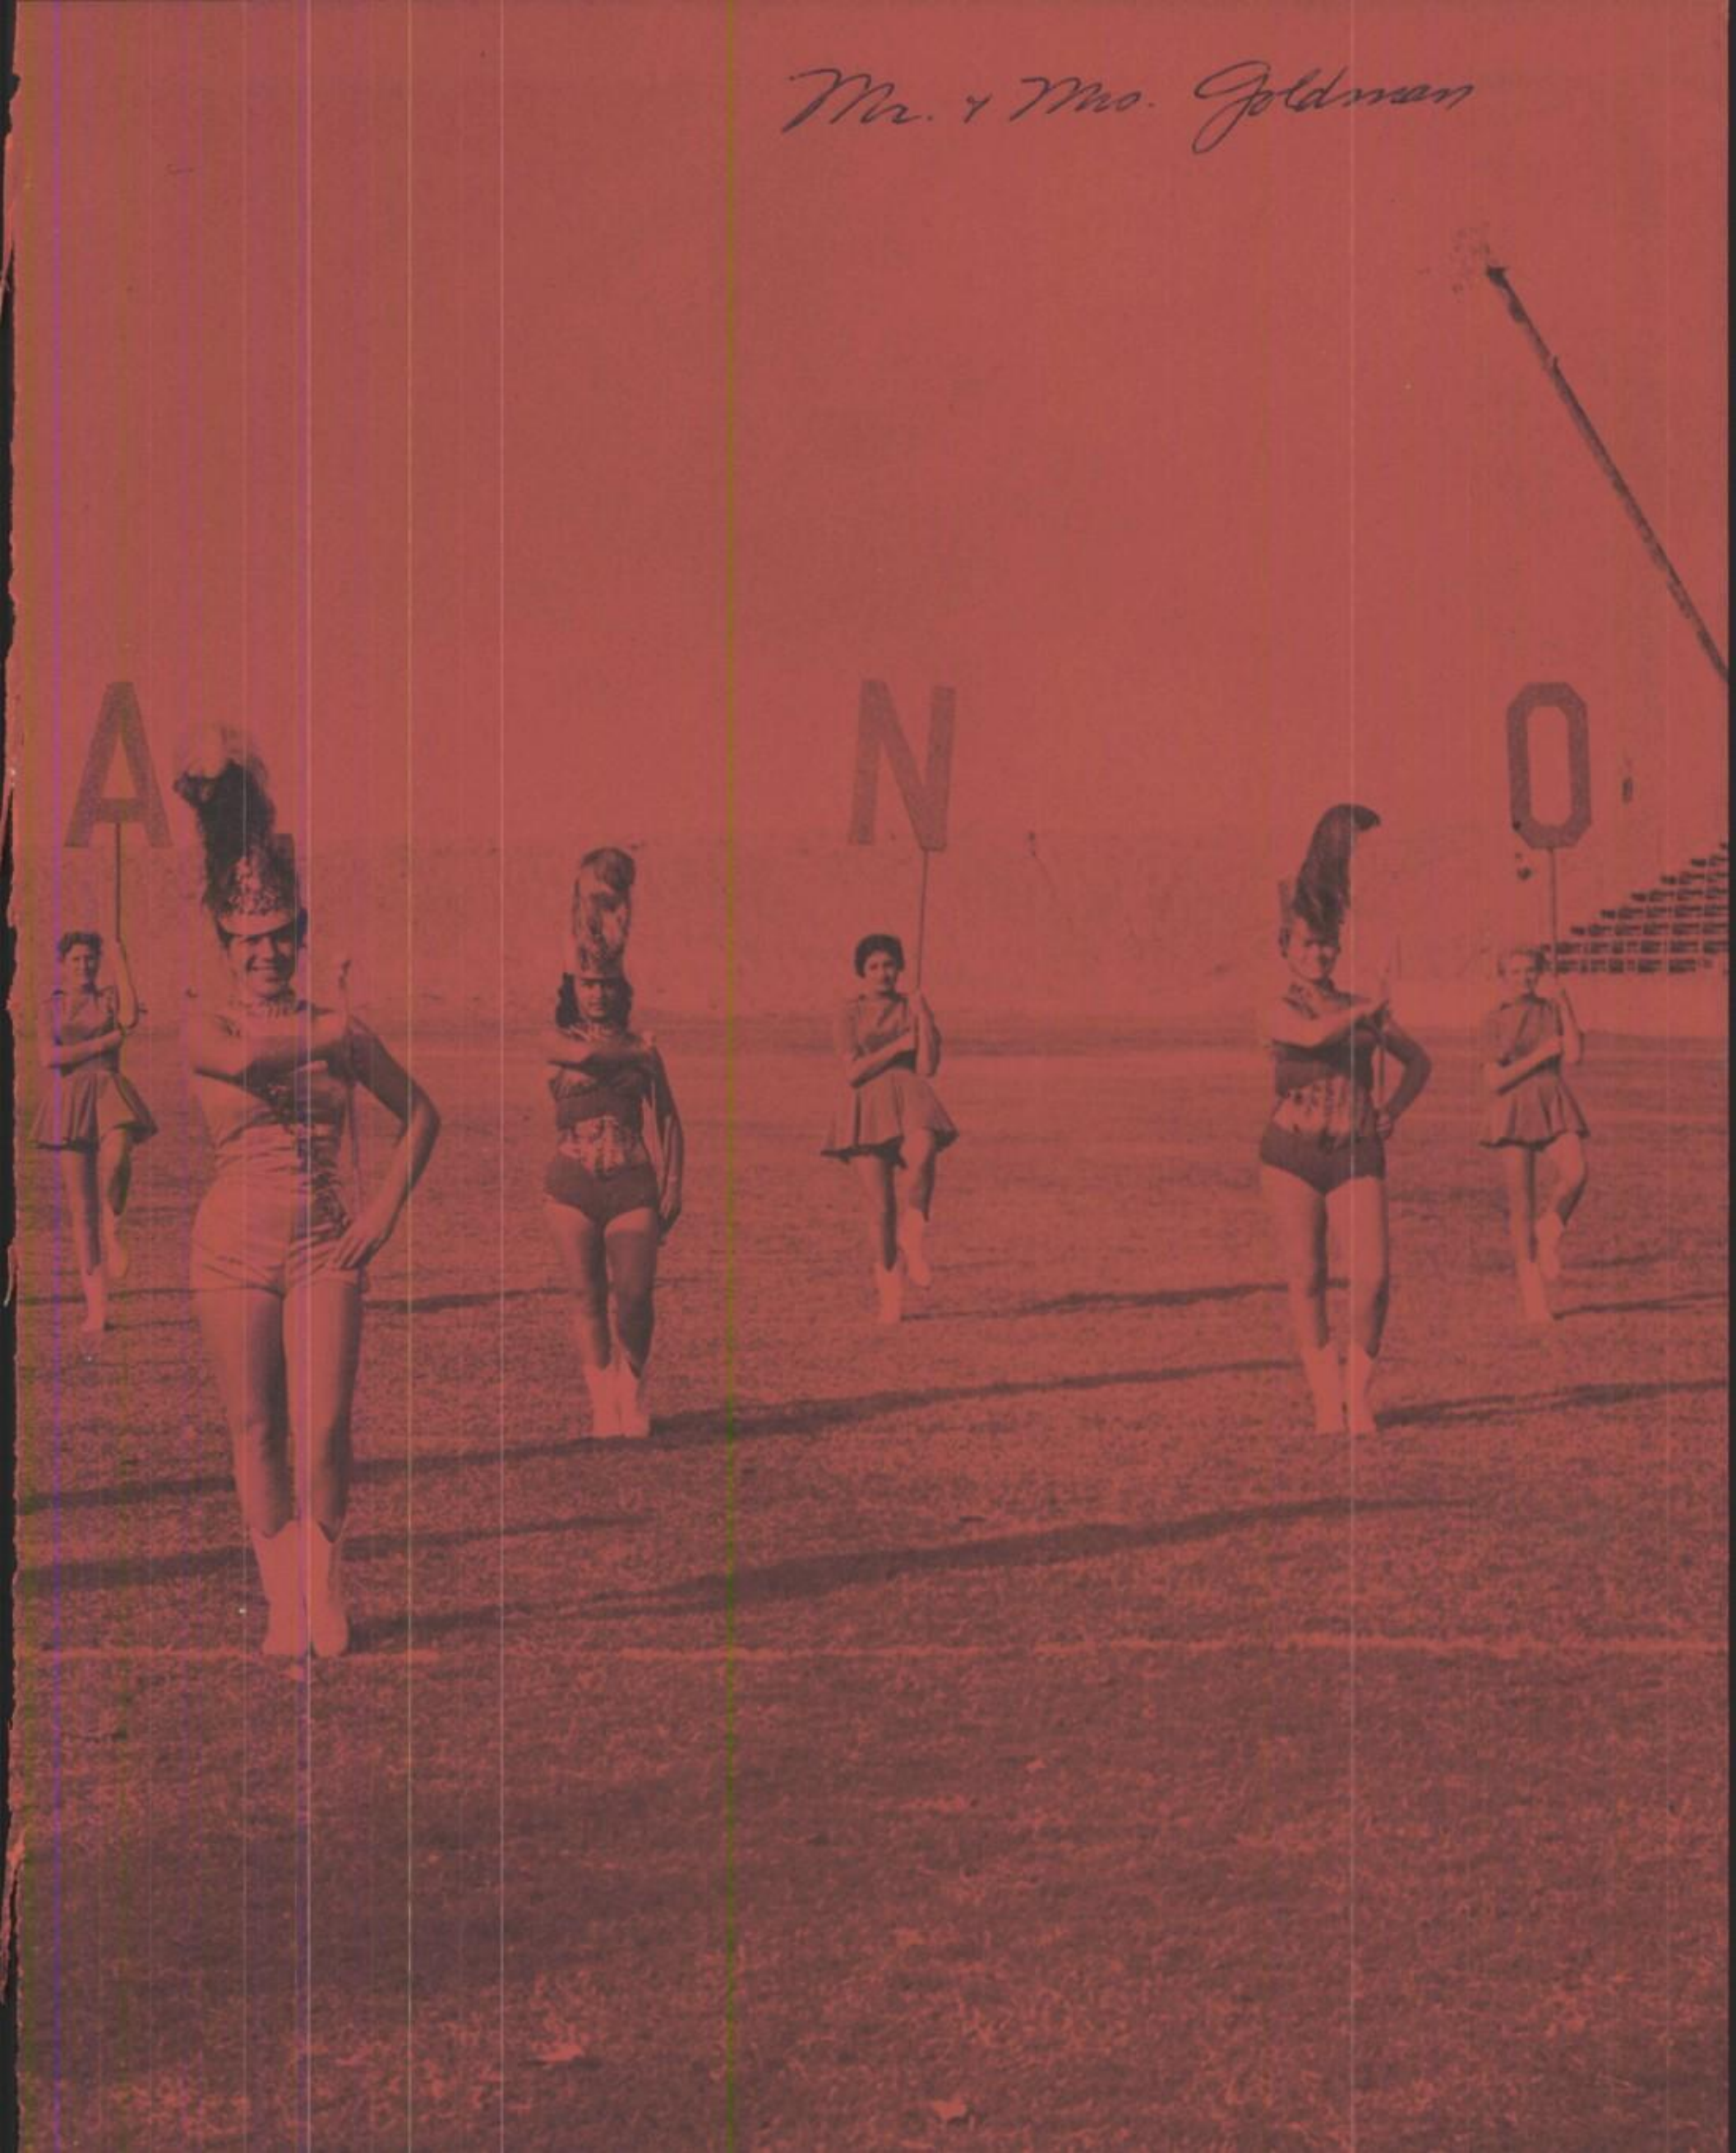
Mr. & Mrs. Goldman



Mrs. Goldman

I have always tried to express my feelings towards you, but somehow it seemed to me that you knew them better than I. Anyhow I wish to tell you how much I like you and have enjoyed knowing you not only as a friend and teacher but as someone much closer than that. You understand me so well that I feel I have known you all my life. I wish I could have known you as a maestra

Muchas felicidades y cariño para una maestra que jamas olbidare.

Love Socorro Ortiz

for both you and your husband.

Mrs. Goldman -

At this time of the year it is hard to say good by and leave people you have known for four years. You and Mr. Goldman have been more than teachers to me. I think of you as teachers who deserve respect for their wide knowledge and also as friends to be loved and trusted. I will never be able to repay you for all your kindness these four years. All I can do is thank you, which I do

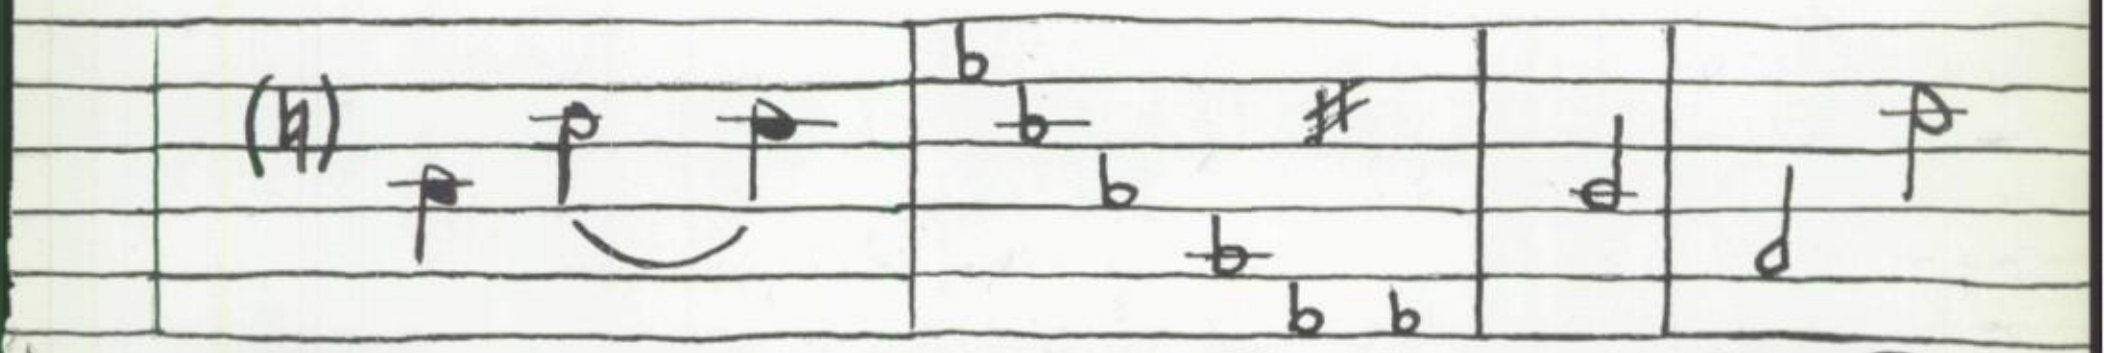
SWINGING



THROUGH 60

We wish our graduating seniors success and happiness as they move forward to meet the new challenges and adventures of life. They will have the opportunity to test the quality of their educational investment and will soon know the measure of its limitations. Our graduates will see that a high school education at its best can only be the point at which the door to a wondrous world of knowledge and understanding is opened. We hope that they will look upon their experiences at Delano High School with satisfaction and know that they will cherish their friendships and associations for the duration of their lives.

Dr. Bert C. Corona

Prologue

In these pages lies the work of running springs of knowledge.

This year has been an eventful one. We hope that we have captured some of the color of those events in the pages of this yearbook. We want you to be able to look back on the school year of 1959-60 and see the wonderful faces and events which occupied that period of time. The editors want to take this opportunity to wish the graduating seniors all the success possible after graduation, and to the underclassmen the same success in their remaining years at Delano High.

Mr. Ritchey and his famed violin.

Dedication

To you, Mr. Jack Ritchey, we dedicate the 1960 **Del-Ano.**

We know that trying to teach us the cultural background of music has been your main objective during all the years you have been at Delano High. It has been through your work that the students have gone out into the world to become better citizens and people. Your complete understanding of us has helped in completing this job.

The work which you have done at Delano High School with our orchestra can be seen all over the state of California. Many of your former pupils have gone on in the field of music largely through your instruction. They have learned the value of music from you.

We sincerely hope that you will have many more successful years at our high school.

The way most students see Mr. Ritchey every day.

CONDUCTORS

Our Administration Heads Wield Batons, "Basic

As our leader, Dr. Corona rates the highest in rank not only among the administration but in the hearts of the students. This fondness has grown through his sincerity and warm heart which he has extended to each and every student on campus. With three years of success behind him, there is assurance that there will be more to follow.

Board of Trustees members, pictured above, are from left to right: Mr. Nick Dailey, Mr. Robert Bower, Mr. Meryl Anderson, Mr. Ledo Sandrini, and Mr. Dave Andreas.

Plan Orchestration, Developing A Successful Theme"

To Dr. Heinz we take off our hats. Through his leadership and encouragement, our student association has been able to function with great success. As the curtain closes for another year, Dr. Heinz continues to reign among the top in the hearts of the students at Delano High School.

Mr. Frederick, always occupied, usually in a hurry, never too busy to listen to problems or help students solve them, plays a quiet, solid beat that keeps us all on key and in time.

Keeping in time with missiles and "Rock & Roll," the Science and Mathematical departments at Delano High have made their contributions. The experiments and mathematical studies, practiced by our classes, brings about the development and understanding of science and math. The students realize that the more they put into these courses, the more they get out of them. They know that in high school, a required amount of math and science must be fulfilled before graduating, so their best is put into their work.

If it wasn't for the excellent staff of teachers, very little could be learned.

"It's been a swingin' year" exclaimed the 249 seniors, "one filled with loads of fun and pleasant memories."

Under the leadership of Truman Chase, the senior class headed for the wonderful day of graduation, June 10.

On March 24, the seniors presented the first senior assembly under the direction of Juanita Curiel. It was a comedy rendition of "This Is Your Life" based on **Mad** magazine.

In the meantime, the seniors in the beige-colored sweaters and brown jackets didn't lose time looking for entertainment. Big events planned for the end of the year were the Senior Ditch Day, Junior-Senior Banquet, the Prom, Senior Breakfast, and the all important All Night Party.

"Memories"

Many of the sports highlights of the year were participated in by seniors. Football, basketball, track, and the pep rallies have sounded their last note for the seniors. The finale itself has ended.

Seniors Say Good-bye to These Things

No more will the seniors view these familiar scenes. Activity card sales, the Christmas program, and the all school play along with many more will just be memories.

Junior Concerto

Pictured above are the Juniors who participated in the Junior Class Assembly. The talented Junior class produced everything from ungraceful ballerinas to hillbillies.

One of the junior required U. S. History classes.

Junior class counselor, Mr. Beck, usually found counseling, has the difficult task of keeping track of all the juniors, which is not by any means an easy thing to do.

Junior homeroom representatives pictured above are, l-r, Back Row: Albin, Butera, Mulligan, Godwin, Ragland, Underhill, Niehaus. Middle: Ichanaga, Russell, Stone, Villard, Padillo, Plew, White. Front: Myers, Lanius.

Bill Schauland and Joyce Ichanaga, were judged the smartest Junior boy and girl (which goes to show hard studying pays off).

This year's junior class is looking forward to the final year at Delano High. They have proved that they have the ability to become the mighty seniors of 1960 and '61. The years will prove that they were among the best of the classes that went on to graduation after the final year. One has only to look over the personalities on this page to see the full meanings of these statements.

Brenda Bird and David Letlow were voted most outstanding Junior boy and girl.

To one of my best teacher's I have ever had, I hope 2 have you as a teacher next year. From a student and a friend, James Crim

Sophomores Tune

Sophomore class officers from left to right are Molly Audap, vice-president; Kay Brown, secretary; Doug Welch, president; and Romona Forguera, treasurer.

Opening the second movement of the symphony, the sophomores elected their officers for the coming year. The choices for the president and vice-president were Doug Welch and Molly Audap respectively. The sophomore float in the annual Homecoming Parade again rated as one of the outstanding of the year.

Under the able guidance of Mr. Wilcox the sophomores were given the fundamental leadership necessary for the achievement of good movement. They opened the year with a swimming party and followed it with a beautifully performed assembly.

These musical hepsters have proved themselves, and the student body of Delano High will see many worthwhile accomplishments from this group.

Elected the most outstanding sophomore boy and girl for 1960 are Sherry Jackson and Doug Welch.

Reigning again as the smartest sophomores at Delano High are the swinging cats, Linda Cruz and George Haggerton.

Up In '60

One of the activities sponsored by the sophomore class was an assembly which included a sterling play, "It's Cold in Them Thar Hills." The assembly was a great success, and members of the student body enjoyed the play and entertainment. The cast of characters is pictured at the right with its hilarious cast of shady characters.

Sophomores swing to the music of their dance.

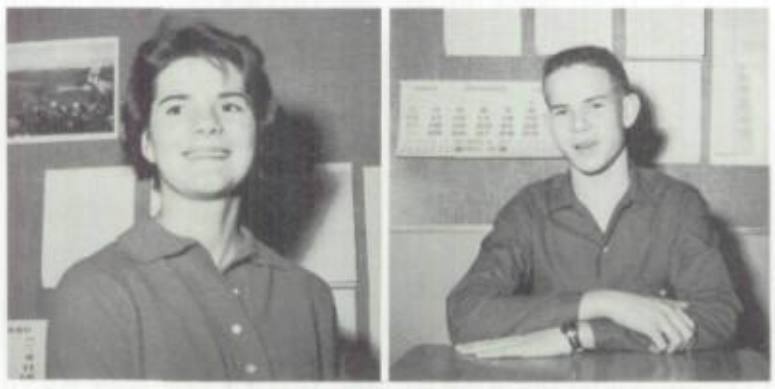
Frosh Join the Swing



Pictured above are class officers: Frances Pavich, president; Tim Sheehan, vice-president.

At left is Michelle Antonell, class secretary.

To the right is Joan Grober, frosh treasurer.

Under the outstanding leadership of class president, Frances Pavich, and the class council, the freshman class had a very successful first year. First on their long list of activities was a class-sponsored car wash. A dance was second on the agenda. Entering a decorated car in the Homecoming Parade, which won firt prize in its division, was one of the highlights of the year.

The frosh class tried their best to make this year, 1960, "A real swinging session of the gang."

Janice Anderson, left, and Tim Sheehan, right, were chosen as the outstanding freshman students.

Tieing for honors as smartest freshmen are, top left: Lulabelle Houk; right, Pam Poteroff; bottom left, Eric Parsons; right, Sheryl Roberts.

Student
GOVERNMENT

A Government by and for the People

Chosen as this year's leader of the student body is Wes Honbo. Under his able leadership much was accomplished by the student government at Delano High. His ability to get things done helped the school to become a better place to work and play.

Wes was also an outstanding leader in his extra-curricular activities. His musical ability and athletic prowess gained much attention on the campus and increased his popularity among the students. We know that this personage will always be a success and a leader in whatever he does.

Commissions play an important part on the campus at Delano High. They guide the student body in many of their affairs. In some cases they are responsible for coordination between the students and the administration. Every student on a commission must do his part, and these commissions have proved to be very useful to the student body.

Toni Ray

After a slow and difficult start the DEL-ANO staff got into the swing of things under the direction of the editorial board composed of Sugie Radovich, Sarah Albin, Toni Ray, Tommy Garland, and Advisor Hall.

With long tedious hours after school and coffee hours on Saturday morning, the yearbook was finally completed, and the staff was able to relax. The big events of the year were the DEL-ANO Sales Assembly, the Sadie Hawkins Day dance and the annual Press club banquet. On the whole the DEL-ANO was a big success.

Sponsoring a Student Government Day was just one of the many activities of the Junior Statesmen of America. The students took over the offices of the city officials for one whole day.

Led through the year by their competent leader, Mayor Stephen Kyte, the Junior Statesmen held a snow party in the winter. Journeying to State Convention of Junior Statesmen in Sacramento was one of the highlights of the year plus the added attraction of Spring Convention early in April.

A newcomer to the Delano Campus is the Health Hub which was organized by a group who intend to become nurses in the future. Mrs. Harriet Hennessee, school nurse, willingly advised members of the club in their activities. Donna Noble was elected as the club's president. The group participated in activities ranging from working at the hospital in Delano to visiting the same institution at Porterville.

The Delano High Choir performed this year under the direction of Chester Hayden, Director of Music at Delano. The Choir appeared at civic affairs in the community. They traveled to the neighboring cities for concerts.

John Richardson was elected President of the Choir with Sugie Radovich serving the year as Vice-president. The officers planned various socials for members of the Choir and their guests. The first of these was held at Terrace Pool in the form of a swimming party and barbeque.

Mary Tabaya acted as accompanist for the Choir again this year as she has done in the years before.

The Choir presented the annual Christmas Program in the Auditorium for grammar school students and the public in the evenings.

Heres hoping that we don't have a fizzle in the French club next year.

Newly formed scholastic honor society on campus at Delano High School this year is the Athenian Society.

Specific requirements are made of the members. There are three orders in the club. First order is the order of the owl. Rights granted through this are a permanent library pass, excuse from class for regularly scheduled school activities, excuse from final examinations at the discretion of the teachers, and eligibility to purchase and wear the Athenian bar pin with one star. The second order is the order of the olive. It entitles members to the privilege of getting out on first shift daily and to wear the bar pin with two stars. The order of the shield is the highest order. This gives the student the privilege of wearing the bar pin with three stars.

As a money raising project, members of the society sold candy during the year. It was a very successful project, reported the society.

Delano High would also like to add that they are very grateful to the committee for its establishment.

Finishing the season with a three win, five loss and one tie record, the Tigers drew third place finish in the Central Yosemite League and compiled a record which included only one loss by more than a touchdown.

Playing one of its best season openers in history, the Tiger squad unveiled their Wing-T-man-in-motion to bewilder the East Bakersfield Blades and defeat them by 20-13 margin.

Linebacker Jerry Young, captain of the Tiger football team, won the 1959 season tackle derby with 84 stops to his credit. Rated as the country's best lineman by many, Young had his best night against Porterville when he collaborated on 25 tackles.

Paul Rodriguez, local ace quarterback, led the Tigers through the season supported by Delano High-pointers James Blanton and Ernest Pye, both men tallied 19 points in league play. Other Tiger seniors, outstanding on the varsity squad were Scott Ellsworth, guard; Jim Menagh, end; Truman Chase, guard; Willie Pickering, tackle; Bob Bowen, tackle; and Bob Walters, back.

Underclassmen who played a good game for the Tigers this season included fullback Ernest Pye, linebacker Wesley Mitchel, guard Danny Katano, end David Letlow, and linesman Bob Burroughs.

Next year appears to be a big one with these returning lettermen.

Bengals Romp

Larry Argel heads for pay dirt with the pigskin.

The pictures on this page depict the case of many a game played by Delano football teams. Long runs and brilliant team work led the "B" team to victory under the tutelage of Coaches Allen and Yarbrough. The teams played good defense and capitalized on the mistakes of the opposing teams. The players of the squad show promise of what is to come in football in the future at Delano High.

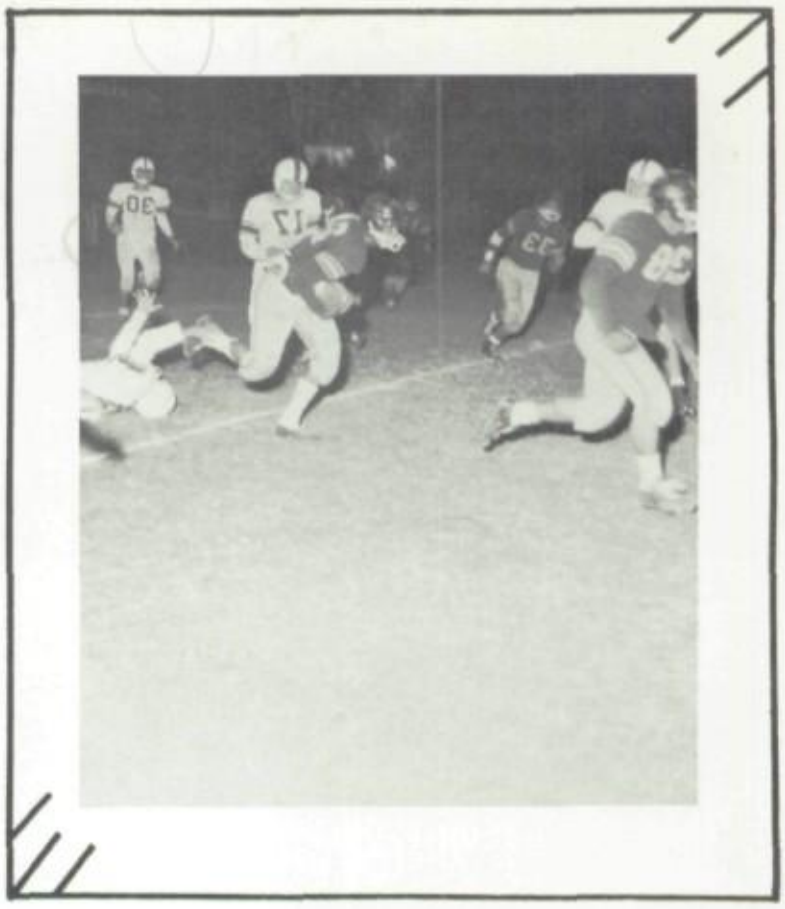
To Victory



Bengals fight for their goals with vigor.

Tying for the league title with Redwood High, the Bengals finished the season's campaign with a 4-1 league ledger.

In the first game of the season the Bengals dropped the East Bakersfield Daggers by a 25-13 margin. In the final tilt of the year the Bengals trounced the Tulare Papooses 25-6, ending the year with a 6-3 season mark.

Dumping the Hanford squad at the Homecoming game 13-6, cost the Bengals dearly. Both Ed Gorman and Allen Munoz suffered injuries. Despite these late-season injuries, the Bengals coasted to the league co-championship, paced by Delano's ace quarterback David Okasaki.

For the second year in a row, the Bengals ripped the Bakersfield Sandabs, as they took an 18-7 win from the rival squad October 9. The Bengals mangled Mt. Whitney 31-0 through the superb blocking and tackling of the 1959 Bengals.

Despite all efforts, the Delano Bengals lost to the North High Comets by a score of 21-12 on October 16.

Outstanding members of the Bengal team were Jim Underhill, Bernie Senoran, Leon Stevens, Larry Argel, Terry Ellsworth, and David Okasaki.

Grinding out their final 25-6 victory over Tulare put the Bengals in a two-way tie for the league title, making the Bengals first year in the Central Yosemite League a successful one indeed.

Bengal team members are, Back Row, l-r: Coach Allen, Berona, Soto, J. Scott, Stephens, Risenhoover, Lewis, Chase, Ellsworth, Hill, Campbell, Cartwright, Myers, Duran, Coach Yarbrough. Future Looks Good

Capitalizing on the running of John Lelis and Lester "Porky" Jones, the Delano Kittens defeated the East Bakersfield C's by a score of 14-6 on the local grid, taking their first game.

Losing their next three consecutive games, to Taft 19-0, and to Bakersfield 19-7, and to North High 21-12, the Kittens stopped Redwood with a boom, 13-0. Sparked by a second-half comeback, they took the Hanford team 33-25.

Many a rival felt the impact when John Ledbetter or Manuel Dela Huerta hit him. Many a yard was gained by Jerry Fogle, John Lelis, Lester Jones, and Don Richardson.

The Kittens made a flashing comeback against Redwood High when they reigned victorious, 13-0. John Lelis and Lester Jones teamed up for the first TD and point-after. Then Jerry Fogle smashed ten yards for the final tally of the game.

Delano played its best defensive game against Redwood, for not once did the rival C's move inside the Delano thirty yard line.

The Kittens struck again, this time against Hanford. Local C's who scored to cut down Hanford 33-25 were Fogle, Jones, Lelis, and Richardson.

Wrestlers Finish Fifth

The Delano High wrestling team, under the supervision of Coach Ralph Allen ended their season with a 2-won, and 5-loss, record. Scoring rules state that a team gets five points for each opponent pinned and three points for every decision. The team with the most points after all matches are completed is the winner of the meet.

Coach Allen's wrestlers finished fifth in the league this season.

Delano High Wrestlers include, Back Row: Miller, Toews, Scott, Pye, Garcia, Banks, Maltby, Clemons, Burroughs, Bumatay, Dyar, Waybright. Middle Row: Beyer, Martin. Many scenes such as the one pictured below were seen by basketball fans at Delano High.

Having lost seven lettermen from the 1958-59 squad, Coach Gene Daniel's Tigers had a rather difficult season winning only 5 of their 20 games.

The young squad shows great promise for the next season. Johnny White, junior guard, showed the Tiger fans that he will be plenty of trouble for the coming year. Working with Johnny as guard, will be Don Geivet forward, whose floor play shows that he will be a ball player to watch in the coming year.

The loss of Rodriguez, Louis and Young will certainly hamper the squad in the year to come. The smooth ball handling of Louis and Young combined with the floor control of Rodriguez, enabled the squad to hold many of their opponents to close scores.

Basketball Future

Although the JV's year was not most successful, a great deal of experience was obtained under the tutelage of Coach Kelley. The fast moving play and ball handling combined with accurate shooting contributed to the close scores in most of the games.

We are looking forward to the time when many of these boys will add their experience to the Varsity squad.

The junior varsity hoop squad includes, Back row, Chase, Lopez, Roberts, Patterson, Coach Kelley, Edwards, Roberts, Hill; Front row, Cartwright, Stevens, Dodson, Lewis, Welch, Scriven, and Anderson.

I feel like I learned a lot this year and I know it will help me in my next three years. Of course, it is rather strange being in an all girl class.

Bonjour.
Peg Imeson

Have a good break
Love Sandra
Teacher

My best wishes

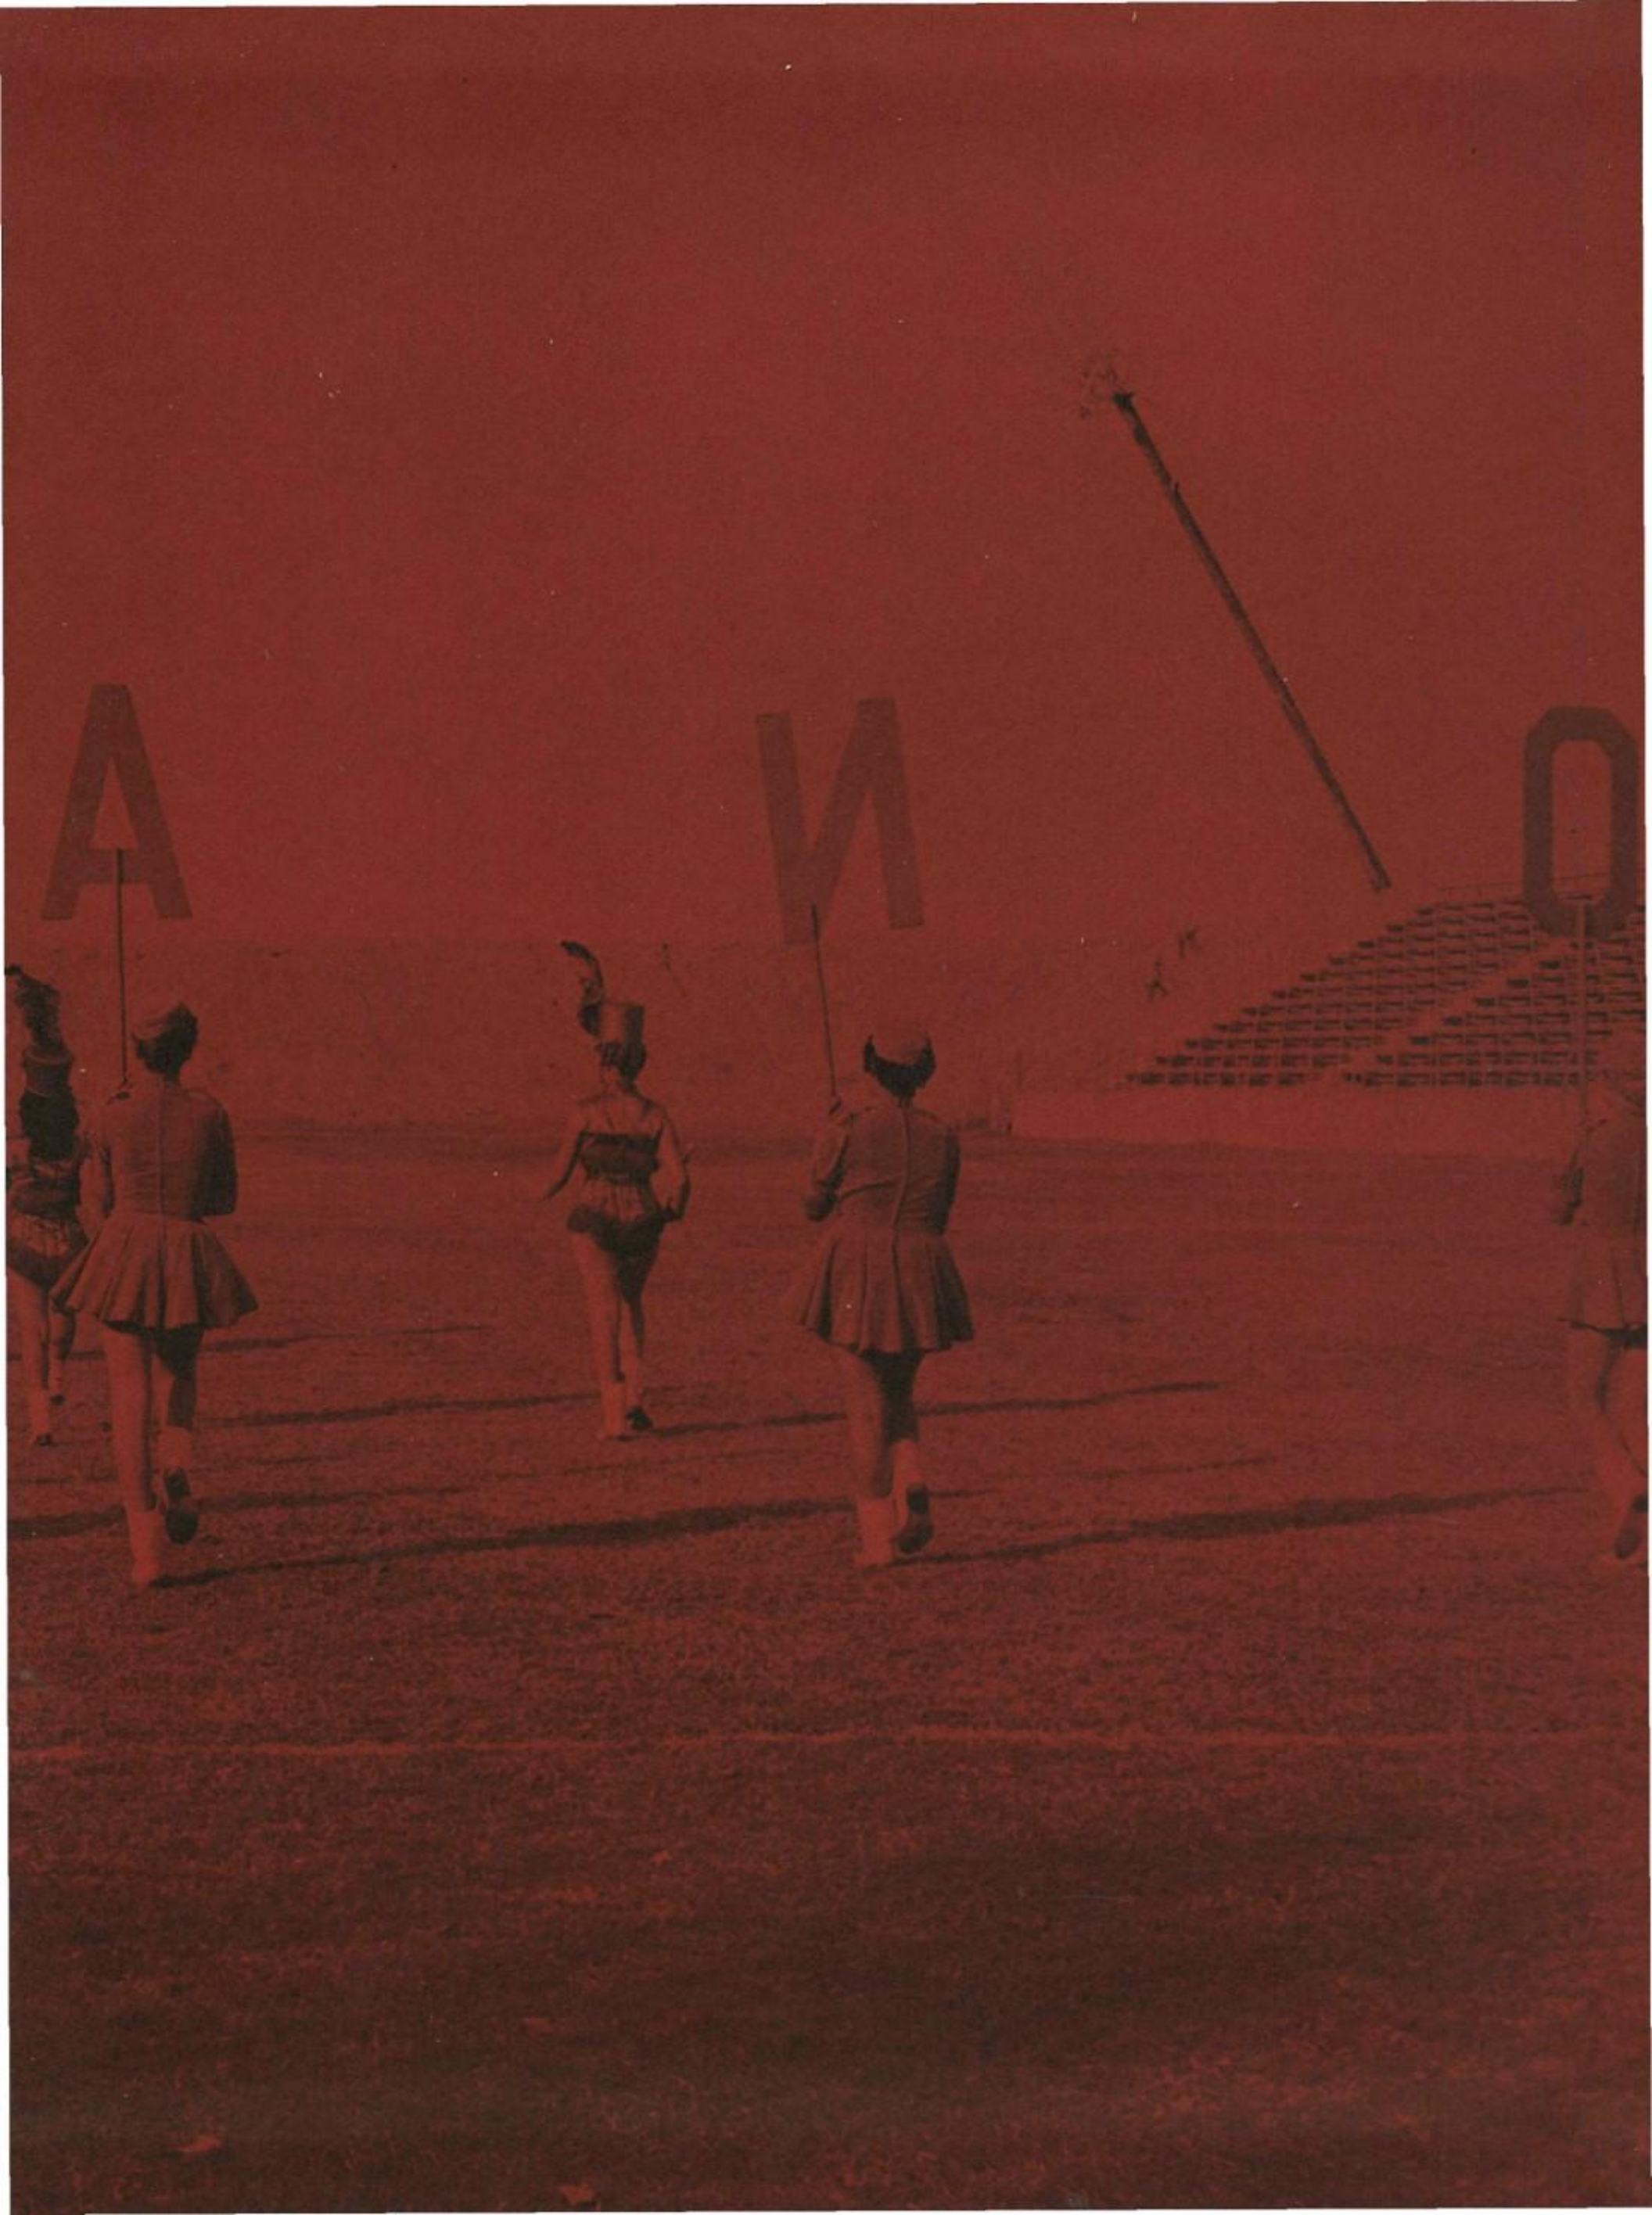
Miss Holdman

Teaching is tough.
Have a lot of fun
in the years to come. As
13 years goes will have my
brother. And he is just like me.

Nicki Hunter


Mrs. Holdman,
I hope you enjoy
class. Good luck in
the future
